

PLAYMOBIL 2006 Product Sheet

2006 Product Themes

PLAYMOBIL Soccer

With PLAYMOBIL's Soccer line, kids can recreate all the exciting action of the 2006 World Cup at home and cheer on their favorite teams from USA and Brazil to Germany and England. With the Girls Team set, girls can unleash their inner Mia Hamm on the playroom rug.

Soccer Match

PLAYMOBIL's Soccer Match is a realistic soccer field that will score with even the smallest soccer players! By flicking a lever, players can control how figurines aim and kick the ball, whether shooting for goal or passing to a teammate. A rotating knob also allows players to help the goalie block shots, even diving left and right. The scoreboard features a timer and changeable scores. Goooooal!

Available at specialty stores nationwide for a suggested retail price of \$39.99.

Soccer Shoot Out

Practice making the winning shot with PLAYMOBIL's Soccer Shoot Out set. All the parts stay together with the set's re-closeable box, which has a fun hologram on front for kids to see how to shoot the ball into the goal. The set includes a goal with two holes for kids to practice kicking the ball into.

Available at specialty stores nationwide for a suggested retail price of \$9.99.

PLAYMOBIL Pirates

Who can resist adventures on the high seas and the mystery of buried treasure? PLAYMOBIL's popular Pirates theme is back with updated versions of the Pirates' Treasure Chest and Blackbeard's Pirate Ship, featuring even more gadgets and accessories!

Pirates' Treasure Chest

Blackbeard and Pirate Rico have more tricks up their sleeves in his new version of the popular Pirates' Treasure Chest. Featuring a "safety shoot" cannon and more animals, creepy crawlies and fantastic treasure pieces, each landscape unfolds to reveal a new chapter in the PLAYMOBIL Pirates' Adventure.

Available at XX for an estimated retail price of \$24.99.

Blackbeard's Pirate Ship

A new cannon, more pirates, more gadgets and a hoist to swing through the air! The new, updated Blackbeard's Ship is a Pirate's dream come true – filled with secret compartments for booty and all the accessories needed for a swashbuckling adventure at sea. It comes with wheels to roll through a sea of carpeting, but it also floats on water!

Available at XX for an estimated retail price of \$29.99.

Treasure Island

Finally, the secret destination the PLAYMOBIL Pirates have been searching for – thank goodness for the treasure map! Kids will have to uncover the treasure quickly with the spade – who knows what the spooky island, complete with a glow-in-the-dark skeleton, has in store?

Available at Toys "R" Us, Target and Steinmart for an estimated retail price of \$9.99.

Pirate Dungeon

The Pirates are up to no good again, and the Soldiers are determined to lock them away in the lonely Dungeon – keeping close watch with the "safety shoot" cannon. There is no escape... unless the Pirates can break out and sneak away on the rowboat!

Available at Toys "R" Us, Target and Steinmart for an estimated retail price of \$19.99.

PLAYMOBIL Farm

Bringing children's classics like Old MacDonald and "Charlotte's Web" to life, the PLAYMOBIL Farm has everything children love best – cute animals, cheerful sunflowers and brightly colored farmhouse and sheds. Features the Farm, Harvest Tractor, Cow Pasture, Rabbit Hutch and Chicken Coop.

My Take-Along Farm

Next up in the popular PLAYMOBIL My Take-Along series, the My Take-Along Farm! Imagine fitting an entire farm, including stables and bunny hutches, into one convenient, easy-to-carry portable set consisting of animals, plants and crops, tools, hay, farmhands and more – the Farmer (and Mom!) would never have to worry about losing stray animals again.

Available at Target, Steinmart and specialty stores for a suggested retail price of \$29.99.

Farm

There's always plenty to do at the PLAYMOBIL Farm, whether forking bales of hay, feeding the animals, fixing the sheds or cleaning the stables. With a working pulley, straw, hay, tools and even animals can be easily hoisted up to the second floor of the stables. Kids will love naming the realistic animals and experiencing everyday life on a farm!

Available at specialty stores nationwide for a suggested retail price of \$69.99.

Farmer's Tractor

It's springtime and the Farm is bustling with activity – the Farmer needs help with the heavy lifting – the moveable lift piles bales of hay onto the tractor bed, which can be unhitched. The Tractor will help the Farmer get to all corners of his Farm quickly!

Available at Target for a suggested retail price of \$3.99.

PLAYMOBIL Family Vacation

It's summer and the family is going on vacation! Pack up the towels, pails, shovels and sandals – it's going to be a fun time at the beach with water sports, sandcastles and sunshine galore.

The Beach

Kids can play out their dream summer vacation surfing, swimming, lazing on the sand or digging for clams, as the lifeguards in the tower and on jet skis make sure everyone at the beach is safe. Kids will love the realistic jet skis that float on water and zoom off when fitted with the Underwater Motor* accessory. They'll also enjoy making the animal figurines – from a pelican to a dolphin - part of the seaside action.

Available at specialty retail stores nationwide for a suggested retail price of \$24.99.

Beach Rescue

To make sure the fun doesn't end with an accident, the Beach Rescue team patrols the beach with lifesavers and a rubber dinghy and watches over the PLAYMOBIL family having a good time in the water and on the sand. The floatable boat means that PLAYMOBIL characters are safe taking a dip in the bathtub as well, not just on the rug.

Available at Target for an estimated retail price of Y\$19.99

Family Yacht

Anchors away! The family takes a wet and wild vacation on the yacht, which floats on water and jets around when fitted with the Underwater Motor* accessory. The Yacht is outfitted with everything for kids to create a dream holiday, from a removable sun deck and captain's helm to a rubber dinghy and boombox. Drop the movable anchor and set sail!

Available at specialty retailers nationwide for a suggested retail price of \$34.99.

Family Camper

Everybody loves a road trip, especially when you can take the bikes along and stow your favorite PLAYMOBIL accessories in the rooftop baggage compartment. For pretty vistas, park and roll out

the camper's awning for a picnic as mom sets the folding table with yummy snacks and dad snaps pictures.

Available at specialty retailers nationwide for a suggested retail price of \$34.99.

PLAYMOBIL Magic Castle

The Magic Castle is a little girl's dream come true with pretty pink towers, glittering gold balustrades, sweeping stairways and many elegant rooms to decorate. Girls can act out their favorite fairy tales or create their own with the lovely Princess and Prince Charming. Features the Magic Castle with Princess Crown, Royal Bedroom, Royal Nursery, Royal Kitchen, Royal Bathroom, Royal Treasure Room, King with Throne, Royal Children and Royal Carriage.

Magic Castle with Princess Crown

Little girls are transformed into princesses as they wear the golden crown that comes with the set. Set the table with precious porcelain and silverware under the dazzling chandeliers in the magnificent mirrored dining room. As the Princess awaits her handsome Prince's arrival on the balcony, his Highness rides up on his noble white stallion. Shhh, don't tell anyone about the secret hiding place in the roof!

Available at specialty stores nationwide for a suggested retail price of \$129.99.

Unicorn Fantasy Land

There's stardust in the air at this magical hideaway! With a table set up for afternoon tea, girls can frolic with unicorns and fairy godmothers as a pretty carriage transports guests to this enchanting soiree. Everyone can even dip their toes into the pool by the majestic waterfall!

Available at Target for an estimated retail price of \$29.99.

Magical Forest

Welcome to the Magical Forest, where pink horses and unicorns await to embark on magical adventures, as the fairy godmother watches over. The wise old owl looks on and keeps guard over a mysterious treasure box on the tree. Kids will have to explore to discover what's in it!

Available at Target for an estimated retail price of \$9.99.

PLAYMOBIL Barbarians

Have the Knights met their match? The wild Barbarians have imposing fortresses and inventive weapons and enough gadgets to put up a good fight. Features the Barbarian Ruin, Barbarian Assault Tower, Barbarian Attack Troop, Barbarian Knight and Barbarian Catapult.

Barbarian Ruin

With brave Barbarians and an armory of weapons, children can devise the most inventive war strategies and scenes for battles against the Knights. Built with PLAYMOBIL SystemX construction, which provides extra big parts, shorter assembly time and durable construction, the sturdy and easy-to-erect Ruin is a formidable fortress with a lookout point and a sheltered triage to treat wounded Barbarians.

Available at specialty stores nationwide for a suggested retail price of \$34.99.

Barbarian Assault Tower

The Barbarians have plenty of tricks up their sleeves and the Assault Tower, their most impressive artillery, is full of gadgets such as the fold-down protective wall and battling ram. Watch out for the deadly barbed hook, axe and cudgel!

Available at specialty stores nationwide for a suggested retail price of \$24.99.

Dragon Knights, Dragon Warrior and Barbarian

The knights, warrior and barbarian add to the adventure of any of the PLAYMOBIL play sets.

Available at XX for estimated retail prices of \$1.99 to \$9.99.

The PLAYMOBIL Harbor

It's another busy day in the city as kids play out the hustle and bustle of a harbor alive with shipping, docking and stowing activities. From directing the crane that loads up the cargo and coordinating the logistics of an incoming cargo ship, there are thousands of real-life scenarios for children. Features the Harbor Crane, Cargo Ship, Harbor Police, Pallet Jack with Crate, Dock Worker with Hand Cart, Mini Excavator and Forklift.

Harbor Crane

Kids use their motor skills to transport the set's bulk load, PLAYMOBIL accessories or other favorite toys with the Harbor Crane, which carries cargo up to a quarter of a pound. With a fully mobile arm that bends at several angles and a body that rotates 360 degrees, the crane easily picks up items within a large radius.

Available at specialty stores nationwide for a suggested retail price of \$44.99.

Cargo Ship

With a large storage compartment, the Cargo Ship is fully equipped to transport children's items around the playroom or even in the bathtub! To speed up delivery, the Ship can be fitted with the Underwater Motor* accessory and the roof can be detached for the Captain to access the bridge. Don't look now, but is that a stowaway in the secret hatch?

Available at specialty stores nationwide for a suggested retail price of \$59.99.

PLAYMOBIL Garden Center

Nothing's more fun than a day at the Garden Center helping Mom pick out pretty flowers and lush plants for the yard. A fun variation of the classic "Shop" pretend game, kids can take turns playing "buyer" and "seller" and completing the transaction with PLAYMOBIL pretend money.

Garden Center

The Garden Center has all the flowers and plants to accessorize PLAYMOBIL toy sets. Children will enjoy the wide variety of planting possibilities – potted plants, climbing roses, flowers and palms, and the tools to help tend them. For a dash of realism, fill up the watering cans to save the wilting flowers!

Available at specialty stores nationwide for a suggested retail price of \$34.99.

PLAYMOBIL Character Figurines

All character figurines are available at Target for a suggested retail price of \$1.99.

Magnificent Lady. Grand and stately in her lovely gown and parasol, the Magnificent Lady fits right into any play scenario, from parties to dinners. She is a welcome visitor to PLAYMOBIL sets such as the Magic Castle and My Take-Along Dollhouse!

Girl with Pony. Which little girl wouldn't want her own pony to ride and perform amazing equestrian tricks on? The PLAYMOBIL girl comes dressed in full riding gear, and there is a pail for pony feeding.

Cowboy Round-Up. Yee-haw! Tapping into the Western play theme that never goes out of style, kids can engage in imaginative play at its classic best by helping these swashbuckling Cowboys herd the cattle stock.

Riding Lessons. Every Cowboy has to start somewhere, and kids can show the rookie all the tricks in the book with this set. Now's the time to try out all their wildest horseback moves with equestrian props before riding into a play scenario!
